**Subject:** Next ARSG Meeting

Dear Stakeholders – We are not planning on a meeting in March, so the next meeting will be the fourth Tuesday of April, the 28<sup>th</sup>. There are several reports that should be ready to discuss at the

April meeting, so we anticipate having a long session with a lot to digest. Don't know yet if we will meet in the afternoon or evening, or both.

Also, attached is the response from Sunnyside Gold to the letter sent to them by EPA, BLM, and CDPHE.

Finally getting some substantial snow in the mountains. Hopefully it will keep going through March.
